GOALS

GOAL 1: Have world-class infrastructure throughout the region that will improve the quality of life for residents by supporting the expansion of existing and development of new industries that will provide employment opportunities and increase tax revenues.

GOAL 2: Maintain a diversified and skilled workforce capable of meeting the needs of current and future employers by supporting educational opportunities, programs and projects that will improve the quality of life for those living or relocating to the region.

GOAL 3: Develop a region-wide identity and interconnected framework focused on economic development collaboration that provides the basis for business growth, retention, and creation of businesses in target industries.

GOAL 4: Minimize the damage to economic assets of the **EDD** region from natural and man-made disasters and shorten the recovery time from their economic effects of the **EDD** region.

VISION STATEMENT

Collaboratively work as a region to develop an attractive, diverse, and resilient economy that is primed for growth and has a well-trained workforce, development-ready sites, sufficient infrastructure to meet investor's need and thus will improve the quality of life and prosperity of the region.
