Re: Hopewell Township Polling Location

Marshall County Board Members,

I would like to change the polling location for Hopewell Township as it no longer meets the ADA requirements on Election Day. I have went out to the Marshall County Airport and looked at their facility and would like to move the polling location there for Hopewell Township. The current Township Building does not meet the ADA requirements as follows; doesn't have a bathroom nor running water, large crack in handicap sidewalk, mold, termites, floors and ceiling are caving in and the foundation is cracked. The Marshall County Airport has offered for me to be able to use there facility at no charge. I have attached pictures of the Hopewell Township Building and pictures of the Marshall County Airport. I will have to purchase a few signs for the new location. I think this will be a good move for the voters in Hopewell Township and to notify each voter they will receive a letter and a new voting card.

This will take effect immediately for the Consolidated Election that will be held on April 2, 2019.

Sincerely,

Jill M. Kenyon
