Request for County Aid for Township Drainage Structure

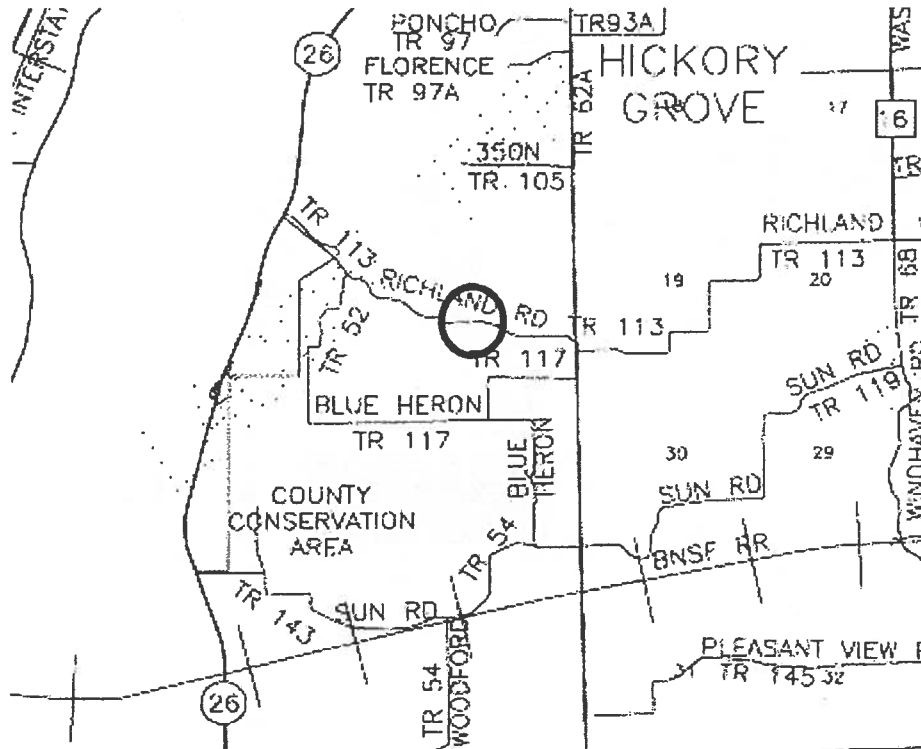

Township
Co. Aid Project
Structure #

Lacon
601
Culvert

The undersigned Commissioner of Highways of LACON Road District in Marshall County, Illinois, hereby petitions you for aid as provided for in Chapter 605, Section 5/5-501, of the Illinois Compiled Statutes, for an appropriation from the County Board Bridge Fund in the County Treasury, a sum sufficient to meet one-half the expense required on the condition that said Road District shall furnish the other one-half of the required amount.

A culvert needs to be repaired across a tributary of Pigeon Creek located on Richland Road, in Section 24, one mile east of Route 26.

The total cost of said work will be approximately \$20,000 , thereby costing the County approximately \$10,000.00

I, John Tomasson, Commissioner of Highways for LACON Road District, further certify that the present structure is inadequate and that the proposed work is necessary, and that the estimated cost of the project is more than 0.02% of the equalized assessed valuation of the Township; and that the tax levy for road purposes in this Road District was, in each of the last two years, not less than the maximum allowable rate provided for in Chapter 605, Section 5/6-501 of the Illinois Compiled Statutes.

John Tomasson
Highway Commissioner

Approved by the County Board of Marshall County, Illinois at its regular meeting held in Lacon, Illinois on October 10, 2019

Dieter Kenyon
Marshall County Clerk
