

Request for County Aid for Township Bridge Rehabilitation

The undersigned Commissioner of Highways of LaPRAIRIE Road District in Marshall County, Illinois, hereby petitions you for aid as provided for in Chapter 605, Section 5/5-501, of the Illinois Compiled Statutes, for an appropriation from the County Board Bridge Fund in the County Treasury, a sum sufficient to meet one-half the expense required on the condition that said Road District shall furnish the other one-half of the required amount.

A bridge needs to be repaired across or along a watercourse located on a highway in Sections 24 & 25 in T12N, R8E LaPrairie Township in Marshall County at the intersection of TR550N and TR550E.

The total cost of said work will be approximately \$40,000, thereby costing the County approximately \$20,000.

I, Bill Ratliff, Commissioner of Highways for LaPrairie Road District, further certify that the present structure is inadequate and that the proposed work is necessary, and that the estimated cost of the project is more than 0.02% of the equalized assessed valuation of the Township; and that they tax levy for road purposes in this Road District was, in each of the last two years, not less than the maximum allowable rate provided for in Chapter 605, Section 5/6-501 of the Illinois Compiled Statutes.
