

Request for County Aid for Township Drainage Structure

Township Steuben  
Co. Aid Project 1101  
Structure #

The undersigned Commissioner of Highways of Steuben Road District in Marshall County, Illinois, hereby petitions you for aid as provided for in Chapter 605, Section 5/5-501, of the Illinois Compiled Statutes, for an appropriation from the County Board Bridge Fund in the County Treasury, a sum sufficient to meet one-half the expense required on the condition that said Road District shall furnish the other one-half of the required amount.

Two culverts need to be replaced across or along a watercourse located on 850E approximately 1 mile south of 550N in Section 33, Steuben Township

The total cost of said work will be approximately \$15,000, thereby costing the County approximately \$7,500.00.

I, Josh Probyn, Commissioner of Highways for Steuben Road District, further certify that the present structure is inadequate and that the proposed work is necessary, and that the estimated cost of the project is more than 0.02% of the equalized assessed valuation of the Township; and that they tax levy for road purposes in this Road District was, in each of the last two years, not less than the maximum allowable rate provided for in Chapter 605, Section 5/6-501 of the Illinois Compiled Statutes.
