Dear Chairman Kroeschen, MARSHALL COUNTY CLERK/RECORDER

First, we want to take this opportunity to thank you for your past support of the region's Economic Development District, (EDD) and hope you will continue your support this year.

As you know, the EDD includes Bureau, LaSalle, Marshall, Stark, and Putnam Counties. The application to add Livingston County has been submitted to the U.S. Department of Commerce-Economic Development Administration (EDA). The EDD operates on a matching grant from EDA and receives \$58,628/yr. Last year you helped support this match with your investment in the district.

***The EDD at North Central Illinois Council of Governments (NCICG) is your resource for any economic development ideas or projects you may have!***

**Where does your Economic Development investment go?**

This annual grant, and your support investment, makes it possible for the EDD/NCICG Staff to continue to implement and update many economic development support services, projects, and activities that have been identified in the regions Comprehensive Economic Development Strategy (CEDS). Please visit our website at [www.ncicg.org](http://www.ncicg.org) to see all of the past and current projects, success stories and review the (CEDS) plan under the Economic Development tab.

**Are you aware of the Economic Development services that we can provide your community?**
