Request for County Aid for Township Drainage Structure

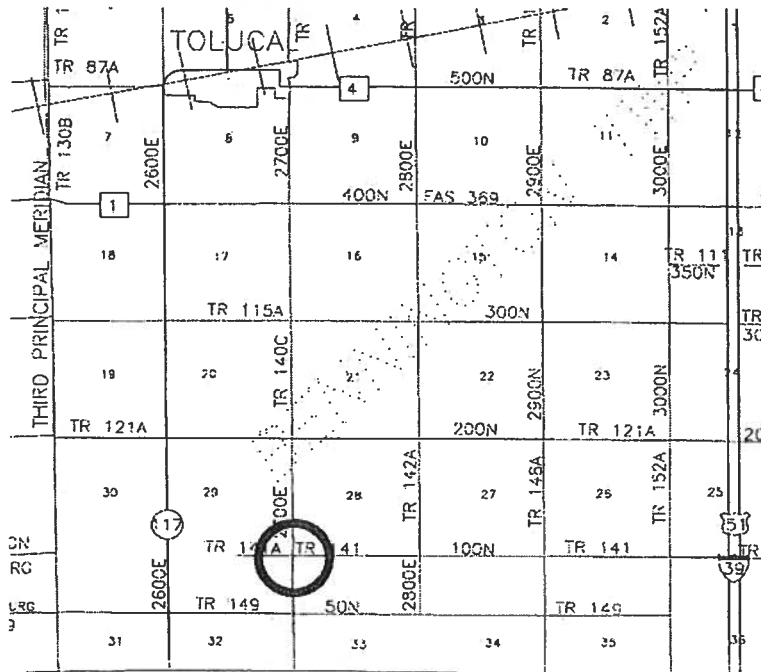

Township	Bennington
Co. Aid Project	201
Exist. Structure	062-4617
New Structure	062-4650

Section 20-021120-77-BR

The undersigned Commissioner of Highways of Bennington Plain Road District in Marshall County, Illinois, hereby petitions you for aid as provided for in Chapter 605, Section 5/5-501, of the Illinois Compiled Statutes, for an appropriation from the County Board Bridge Fund in the County Treasury, a sum sufficient to meet one-half the expense required on the condition that said Road District shall furnish the other one-half of the required amount.

A bridge needs to be replaced across the South Branch of Crow Creek located on on TR140C (2700E), Section 28, approximately 4 miles south of Toluca.

The total cost of said work will be approximately \$500,000 with funding from the Township Bridge Program, Rebuild Illinois, MFT and local funds. Estimated local funds are \$105,000 from County & Township, each.

I, Daniel Knight, Commissioner of Highways for Bennington Road District, further certify that the present structure is inadequate and that the proposed work is necessary, and that the estimated cost of the project is more than 0.02% of the equalized assessed valuation of the Township; and that they tax levy for road purposes in this Road District was, in each of the last two years, not less than the maximum allowable rate provided for in Chapter 605, Section 5/6-501 of the Illinois Compiled Statutes.

Daniel Knight

 Highway Commissioner

Approved by the County Board of Marshall County, Illinois at its regular meeting held in Lacon, Illinois on October 8, 2020.
