INDEPENDENT AUDITOR'S REPORT

To the County Board Marshall County, Illinois

Report on Financial Statement

We have audited the accompanying financial statement of the fiduciary fund of the Marshall County Circuit Clerk as of November 30, 2020, and the related notes to the financial statement, as listed in the Table of Contents.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of the Circuit Clerk's fiduciary fund of Marshall County, Illinois, as of November 30, 2020, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statement presents only the fiduciary fund of the Circuit Clerk and does not purport to, and does not, present fairly the financial position of Marshall County, Illinois as of November 30, 2020 and the changes in its financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

The Marshall County Circuit Clerk has omitted a management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statement. Such missing information, although not a part of the financial statement, is required by the Governmental Accounting Standards Board which considers it to be an essential part of the financial reporting for placing the financial statement in the appropriate operational, economic, or historical context. Our opinion on the financial statement is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statement of the fiduciary fund of the Marshall County Circuit Clerk. Report J is presented for the purpose of additional analysis and is not a required part of the financial statements.

The accompanying supplementary information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, J is fairly stated, in all material respects, in relation to the financial statement taken as a whole.

The accompanying other information has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated December 30, 2020, on our consideration of the Marshall County Circuit Clerk's internal control over financial reporting of the fiduciary fund and on tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters which are included within. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Marshall County Circuit Clerk's internal control over financial reporting of the fiduciary fund and its compliance.

Restricted Use of this Auditor's Report

This report is intended solely for the information and use of the County of Marshall, the appropriate local governments within that county, the pass through agencies of the State of Illinois, the Illinois General Assembly, and the Governor of the State of Illinois and is not intended and should not be used by anyone other than theses specified parties

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER COMPLIANCE

To the County Board Marshall County, Illinois

Compliance

We have examined the Marshall County Circuit Clerk's compliance with the specified requirements listed below during the year ended November 30, 2020. Management of the Marshall County Circuit Clerk is responsible for compliance with these specified requirements. Our responsibility is to express an opinion on the Marshall County Circuit Clerk's compliance with the specified requirements based on our examination.

- A. The Circuit Clerk has properly assessed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- B. The Circuit Clerk has properly distributed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- C. The Circuit Clerk has timely assessed and distributed monies in accordance with the purpose authorized by law.
- D. The Circuit Clerk has complied, in all material respects, with applicable laws and regulations in its financial and fiscal operations.
- E. The Circuit Clerk has properly and legally administered money or negotiable securities or similar assets and the accounting and recordkeeping relating thereto has been proper, accurate, and in accordance with the law.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States; the annual audit requirements included in the Clerks of Courts Act (Act); and the Circuit Clerk Audit Guidelines as noted by the Act. Those standards, the Act, and the Circuit Clerk Audit Guidelines require that we plan and perform the examination to obtain reasonable assurance about whether the Marshall County Circuit Clerk's complied, in all material respects, with the specified requirements listed above. An examination involves performing procedures to obtain evidence about whether the Marshall County Circuit Clerk complied with the specific requirements listed above. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Marshall County Circuit Clerk's compliance with specified requirements.

In our opinion, the Marshall County Circuit Clerk complied, in all material respects, with the specified requirements during the year ended November 30, 2020, in all material respects.

The purpose of this report on compliance is solely to describe the scope of our testing and the results of that testing in accordance with the requirements of the annual audit requirements included in the Act and the Circuit Clerk Audit Guidelines as noted by the Act. Accordingly, this report is not suitable for any other purpose.

Internal Control Over Compliance

Management of The Marshall County Circuit Clerk is responsible for establishing and maintaining effective internal control over compliance with specified requirements listed in the first paragraph of this report.

In planning and performing our examination, we considered the Marshall County Circuit Clerk's internal control to determine the examination procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Marshall County Circuit Clerk's compliance with the specified requirements and to test and report on the Marshall County Circuit Clerk's internal control in accordance with the annual audit requirements included in the Act and the Circuit Clerk Audit Guidelines as noted by the Act, but not for the purpose of expressing an opinion on the effectiveness of the Marshall County Circuit Clerk's internal control. Accordingly we do not express an opinion on the effectiveness of the Marshall Country Circuit Clerk's internal control.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with the requirements listed in the first paragraph of this report on a timely basis. A material weakness over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a requirement listed in the first paragraph of this report will not be prevented, or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the annual audit requirements included in the Clerks of Courts Act (Act) and the Circuit Clerk Audit Guidelines as noted by the Act. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the County Board Marshall County, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the fiduciary fund of the Marshall County Circuit Clerk as of and for the year ended November 30, 2020, and the related notes to the financial statements, which collectively comprise the Marshall County Circuit Clerk's basic financial statements, and have issued our report thereon dated December 30, 2020.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Marshall County Circuit Clerk's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

Management of the Marshall County Circuit Clerk is responsible for establishing and maintaining effective internal control over financial reporting for the fiduciary fund of the Circuit Clerk.

In planning and performing our audit, we considered the Marshall County Circuit Clerk's internal control to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Marshall County Circuit Clerk's internal control. Accordingly, we do not express an opinion on the effectiveness of the Marshall County Circuit Clerk's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not yet been identified.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Marshall County Circuit Clerk's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Marshall County Circuit Clerk's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MARSHALL COUNTY, ILLINOIS CIRCUIT CLERK NOTES TO FINANCIAL STATEMENTS November 30, 2020

Note 1 - Summary of Significant Accounting Policies

Marshall County is a governmental entity located in Central Illinois. Revenues are substantially generated as a result of taxes assessed and allocated to Marshall County (examples would be property taxes, sales taxes, income taxes and motor fuel taxes) and charges for services performed for constituents of the County. Marshall County revenues are therefore primarily dependent on the economy within its territorial boundaries. Industry within the County is primarily agriculture, manufacturing, and retail.

The accounting policies of Marshall County, Illinois Circuit Clerk conform to generally accepted accounting principles as applicable to governmental units. The following is a summary of the more significant of such policies.

Basis of Presentation - Fund Accounting

The accounts of Marshall County, Illinois (County) are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance and retained earnings, revenues and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The accompanying financial statement presents only the Agency Fund of the Marshall County, Illinois Circuit Clerk and is not intended to present fairly the financial position and changes in financial position of Marshall County, Illinois in conformity with generally accepted accounting principles.

Agency Funds are used to account for assets held by the Circuit Clerk in a trustee capacity or as an agent for individuals, private organizations, other governments, and/or other funds. Agency Funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

Basis of Accounting

The financial statement has been prepared in accordance with the accrual basis of accounting. Increases in assets are recognized when they become measurable and available as net current assets.

Actual results could differ from those estimates.

- C. Bonds, notes, certificates of indebtedness, treasury bills, or other securities now or hereafter issued, which are guaranteed by the full faith and credit of the United State of America as to principal and interest;
- D. Short-term discount obligations of the Federal National Mortgage Association.
