Mr. Garry Kroeschen,
Marshall County Board Chairman,

I understand there is an open seat on the County Board and would like you to know that I would be more than happy to fill the seat for you.

As you know I'm a past Wenona City Councilman and Mayor of Wenona and while I served, I always believed that it was in the best interest for all the communities in the county to work together and assist each other on their chances for development.

For the past twenty-two years I have worked for a senior living development and management company as their VP of construction services assisting in project development and construction oversight, With this in mind I feel I could be an asset to you and the county board.

Warm Regards,

Jamie D Durham
Past Mayor of Wenona
