Request for County Aid for Township Bridge Repair

Township	Roberts
Co. Aid Project	906
Structure #	4437

The undersigned Commissioner of Highways of Roberts Road District in Marshall County, Illinois, hereby petitions you for aid as provided for in Chapter 605, Section 5/5-501, of the Illinois Compiled Statutes, for an appropriation from the County Board Bridge Fund in the County Treasury, a sum sufficient to meet one-half the expense required on the condition that said Road District shall furnish the other one-half of the required amount.

A bridge requires replacement, carrying Stagecoach Road (TR 17), crossing Little Sandy Creek, Section 4 in T30N, R1W, Roberts Township, Marshall County. The bridge is a county line structure and shared with Magnolia Township, Putnam County.

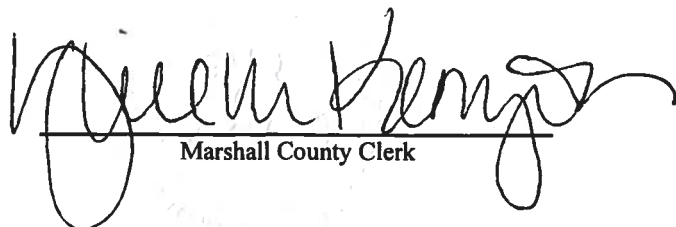

The total cost of said work will be approximately \$1,025,000 and the County share will be approximately \$142,621.

I, Eric Shanklin, Commissioner of Highways for Roberts Road District, further certify that the present structure is inadequate and that the proposed work is necessary, and that the estimated cost of the project is more than 0.02% of the equalized assessed valuation of the Township; and that they tax levy for road purposes in this Road District was, in each of the last two years, not less than the maximum allowable rate provided for in Chapter 605, Section 5/6-501 of the Illinois Compiled Statutes.

Approved by the County Board of Marshall County, Illinois at its regular meeting held in Lacon, Illinois on October 12, 2023.
